Subject: Detailed Explanation of Relationship with Guardian – Fr. Wolfgang Senzel

Dear Visa Officer,

I respectfully submit this letter to provide a detailed explanation of my relationship with **Rev. Fr. Wolfgang Senzel**, who has kindly agreed to act as my initial sponsor during my job in Austria.

Fr. Wolfgang Senzel shares a long-standing and deeply rooted relationship with my family, particularly with my granduncle, **Rev. Fr. Sebastian Mathias**. He has been in contact with the relatives of a priest friend, namely my granduncle, who served as his substitute during his vacations for over twenty years. For over 30 years, my granduncle regularly traveled from India to Germany to celebrate the Holy Eucharist and assist in pastoral duties in Fr. Wolfgang's parish during his absence.

Through this extended period of priestly collaboration—spanning more than three decades—they developed a strong bond of friendship, trust, and mutual respect. Their relationship was not only professional but also deeply personal and spiritual, rooted in shared faith and service to the Church.

Rev. Fr. Wolfgang Senzel has shared a close and trusted relationship with my family for more than three decades through my granduncle, Rev. Fr. Sebastian Mathias. During this period they worked closely together in pastoral ministry whenever my granduncle visited Germany to assist in Fr. Wolfgang's parish. Their long-standing friendship has resulted in a strong bond of mutual trust between our families. Because of this relationship, Fr. Wolfgang has kindly agreed to assist me financially during my initial relocation to Austria. His support will help cover my initial living expenses until I commence employment and receive my salary.

After my arrival in Austria, my employer will register me with the Austrian public health insurance system (ÖGK) and I will become financially self-sufficient through my employment. Fr. Wolfgang's assistance is therefore temporary and intended only to facilitate my successful transition and settlement in Austria.

This guardianship is therefore not incidental or temporary, but is firmly grounded in a long-established relationship between our families, built over more than three decades of continuous friendship, cooperation, and mutual trust.

I humbly request you to kindly consider this explanation as part of my visa application. Should you require any further clarification or supporting information, I would be pleased to provide it.

Thank you very much for your time and consideration.

**Yours faithfully,
Kevin Shreesh Mathias**
