Subject: Explanation Regarding Salary Slips and No Objection Certificate

Dear Sir/Madam,

I am submitting this letter to explain the absence of one salary slip and the No Objection Certificate (NOC) in support of my Work Visa (Visa D) application.

I have provided only **two salary slips** from my current employer instead of three because I had taken a **one-month break** while transitioning from my previous employment to my current job. As a result, I have been employed with my current company for only the last two to three months and have received only two salary slips.

Regarding the **No Objection Certificate (NOC)**, my current employer's company policy is to issue an NOC only after an employee has completed **six months of service**. Since I have not yet completed six months with the company, I am unable to obtain an NOC.

To support my employment status, I have enclosed the following documents:

- * My resignation letter from my previous employer.
- * My current employment/work contract.
- * My hotel employee identification card containing the employer's contact details.

I respectfully request that these documents be accepted as supporting evidence of my employment. I sincerely appreciate your understanding and consideration of my application.

Thank you for your time and kind consideration.

Yours faithfully,

Digitally signed by
