

EXPLANATION REGARDING BANK STATEMENTS

Date: 06/07/2026

To

The Visa Officer,

Subject: Explanation Regarding Submission of Bank Statements

Dear Sir/Madam,

Please note that the bank statements from November 2025 to April 2026 are original statements bearing the official bank stamp.

The bank statements for May 2026 and June 2026 are submitted as official e-statements downloaded directly from the bank. Due to international postal delivery constraints between Austria and India, along with adverse weather conditions affecting postal services, it was not possible to obtain and deliver the original bank-stamped statements in time for the visa application.

These e-statements are authentic, complete, and correspond to the same bank account as the previously submitted stamped statements.

I kindly request you to accept these e-statements as part of my supporting documents.

Thank you for your understanding.

Yours faithfully,
