SPONSOR/GUARDIAN'S RESIDENCE DOCUMENTS**

The Visa Officer,

**Subject: Explanation Regarding Submission of Copies of Sponsor /
Guardian's Residence Documents**

Dear Sir/Madam,

I would like to inform you that my sponsor/guardian has submitted copies of the residence documents instead of the original documents.

My sponsor/guardian is currently residing in Austria and will shortly be visiting the German Consulate to have the address in the passport updated/corrected.

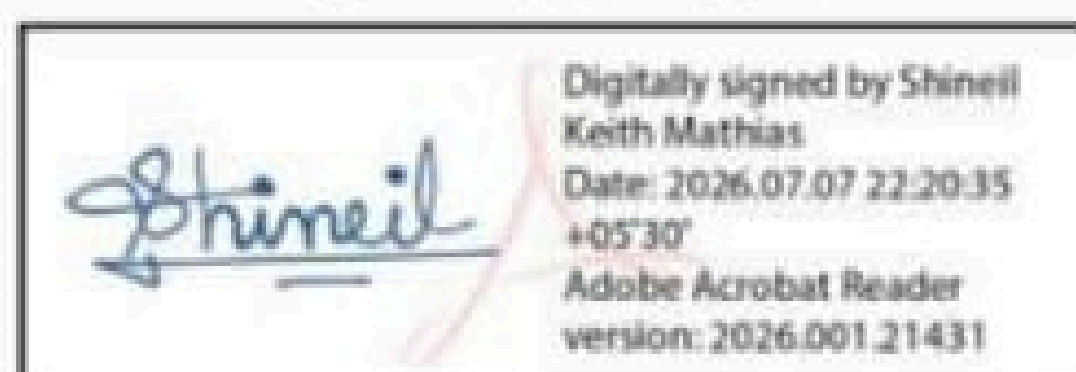

Therefore, the original residence documents are being retained by my sponsor/guardian for this official purpose and could not be sent to India.

Accordingly, copies of the valid residence documents are enclosed in support of my visa application. I respectfully request that these copies be accepted for the purpose of processing my application.

Should any further information or documentation be required, I will be pleased to provide it.

Thank you for your kind consideration.

Yours faithfully,
