Subject: Detailed Explanation of Relationship with Guardian – Fr. Wolfgang Senzel

Dear Visa Officer,

I respectfully submit this letter to provide a detailed explanation of my relationship with **Rev. Fr. Wolfgang Senzel**, who has kindly agreed to act as my guardian during my stay in Austria.

Fr. Wolfgang Senzel shares a long-standing and deeply rooted relationship with my family, particularly with my granduncle, **Rev. Fr. Sebastian Mathias**. He has been in contact with the relatives of a priest friend, namely my granduncle, who served as his substitute during his vacations for over twenty years. For over 30 years, my granduncle regularly traveled from India to Germany to celebrate the Holy Eucharist and assist in pastoral duties in Fr. Wolfgang's parish during his absence.

Through this extended period of priestly collaboration—spanning more than three decades—they developed a strong bond of friendship, trust, and mutual respect. Their relationship was not only professional but also deeply personal and spiritual, rooted in shared faith and service to the Church.

As a result of this enduring connection, Fr. Wolfgang has remained closely associated with our family over the years. He has maintained contact with us and, through his visits to India as well as ongoing communication, has come to know me personally. He has shown a sincere interest in my upbringing, education, and my aspiration to pursue higher studies and eventually discern a vocation to the priesthood.

In view of my plans to study in Austria, Fr. Wolfgang has generously agreed to take on the responsibility of being my local guardian. In this capacity, he will provide guidance, supervision, and personal support to ensure my well-being and proper integration into Austrian society. He will also assist me with accommodation-related matters, local orientation, and act as a responsible point of contact for any administrative or personal requirements during my stay.

This guardianship is therefore not incidental or temporary, but is firmly grounded in a long-established relationship between our families, built over more than three decades of continuous friendship, cooperation, and mutual trust.

I humbly request you to kindly consider this explanation as part of my visa application. Should you require any further clarification or supporting information, I would be pleased to provide it.

Thank you very much for your time and consideration.

**Yours faithfully,
Shineil Keith Mathias**
